Dear Parents,

We would like to update that the online classes will be starting from Monday (i.e. 6 July 2020)

For smooth functioning of online classes please download "Google classroom" and "Google meet" on your mobile phones or laptops.

Willing parents of Nayagaon branch students can bring the Holiday homework for correction and can collect after 7days of submission.

We appreciate if only one person will come and kindly do not bring the students along.

Regards

Principal
