Dear Students,

There are multifarious ways of showing your love to your mother but for a child showing of love can be in very simple and innocent ways like:

- Giving a hug to your mother.
- Giving a card with beautiful words inscribed on it.
- Making any simple dish for her (with the help of your father or siblings).
- Writing a poem or an essay on her.
- Giving her beautiful smiles, the whole day.
- In all a "Promise to respect, obey and love her for life-long".

**She is your CREATOR and a beautiful gift of god to you.**

**She is precious and valuable.**

**I hope you will make this "MOTHER'S DAY" special for you and your mother.**

Regards

Principal
