Notice

On the occasion of Earth Day and as a part of the Subject Enrichment Programme of CBSE, the school is holding a Poster Making Competition. This year the Earth Day (22nd April 2020) is very crucial as the world is facing a big disaster in the name of Covid-19. Through this activity we hope to create an awareness among children during this phase of disaster. The topic for the competition for classes 1 to 5 will be "Precautions against Covid-19". The poster should have an attractive punch line and necessary preventive measures. Submissions will be accepted till 30th April 2020.
